

Why Costa Rica?

The span of the Costa Rican territory, from the Pacific Ocean to the Caribbean Sea, is 200 miles. The variety of landscapes and microclimates that can be enjoyed in one day make this country a paradise destination.

In simply 51 thousand square kilometers, the traveler can find: sun and beaches, adventure, nature and culture; necessary components to satisfy the likes of thousands of tourists that find in Costa Rica their ideal holiday.

Dental tourism is one of the main attractions for people who come to Costa Rica. A trip to Costa Rica gives you the opportunity to receive high quality dental care combined with a vacation for a cost that can be less than half of what it would cost in the US, Canada or Europe.

All of these while you enjoy a vacation in one of the most beautiful countries of the world. That is why so many people choose Costa Rica as a dental tourist destination.
